Dear Mr. Keefe,

Thanks for your letter and the ABA Journal article. As soon as I get caught up to my usualx behindedness after being away for a week I'll read them.

As soon as I know when I can make a date a week in advance and keep it I'll call you. I'm looking forward to speaking to you and discussing what I have in mind.

I've got two more books going on this subject and am behind on both. But I'll have them both finished soon.

Sincerely,

Harold Weisberg
